GOVERNMENT OF MYSORE, ELECTRICAL DEPARTMENT.

Notification dated 14th April 1923.

Applications are invited from persons and Engineering Firms for licenses to execute Electrical works in Mysore, Bangalore City, Civil and Military Station, Bangalore, and Kolar Gold Fields during the year 1923-24. The applications will be received at the office of the Superintendent, Bangalore Power and Lighting, Bangalore, till 4 P.M. of the 3rd May 1923.

Only applicants possessing the following qualifications need apply :—

The applicant should state if he is a Mysorean.

The applicant should have a general and technical education satisfactory to the Licensing Committee.

The application should contain full and complete information on the following points :—

Whether the applicant requires the license for carrying out lighting installations only or for both Lighting and Power Installations.

The financial resources at the command of the applicant.

The address of his place of business and the approximate value of electrical stores he has or will arrange to have in the event of the Chief Electrical Engineer deciding to give him license.

In case of applicants who have executed electrical works in the Mysore State or elsewhere should give a list of such works.

The committee may require the applicant to present himself before the committee for examination on a written request from the Secretary, Licensing Committee.

Recommendations of the committee will be submitted to the Chief Electrical Engineer to the Government of Mysore, and the final decision as to granting of license rests with him.

About the first week of June 1923, the Chief Electrical Engineer will publish the list of applicants found eligible for holding licenses.

S. G. FORBES,
Chief Electrical Engineer.
